

New Family Application

Thank you for your interest in Puebla Christian School! The first step for enrollment is a proficiency test to make sure students are prepared to succeed in the appropriate grade level. Students who score at or above grade level may continue with the rest of the application and schedule an interview.

The following are the admission requirements:

- Completed family application
- Copy of birth certificate for each student
- Complete transcripts from previous schools
- Letter of good financial standing and good conduct from previous school, if applicable
- Written testimonies of faith from parents
- Letter of reference from a pastor
- Interview

Proficiency testing in English and Math will be required for those whose primary language at home is not English and for those entering 1st grade. The only exception will be for students transferring from another school with a similar curriculum.

Admission to PCS is subject to the approval of the Administration. Applications may be denied for any reason, including lack of space in desired grade levels, inadequate English proficiency, insufficient evidence of a Christian testimony, or any other concerns the Administration may have.
